

Capital Letters

now>press>play aren't very good at capital letters. Can you spot all the mistakes in this paragraph from the recording? Write in the correct letters just above the wrong ones.

began.

This is where your adventure Began. you were on the river Nile when you received a letter from your Uncle, telling you to go to Memphis to train to be a scribe. As soon as you arrived, the pharaoh died and You were summoned to the great temple. then you were chosen by the vizier to Protect....
