We've given you every other line of this poem. Fill in the gaps and make each line rhyme with the one before. Use the letter-row on the left: put each letter in front of the rhyming sound until you find a good word. Write a line that ends with that word.

Rhyming sounds

In the humid jungle, it's very green

_____ -een [or -ean]

The grass is long and the trees are tall

_____ -all

Monkeys like to chatter and play

_____ -ay

Tigers roar in the middle of the night

_____ -ight [or -ite]
