The fruit was yummy.

## Plant Haikus!

A haiku (originally from Japan) is a three line poem which goes 5, 7 then 5 syllables. Write some haikus, based on places/characters from the story. Haikus don't need to rhyme and they use lots of adjectives. Try to use synonyms from the last exercise. We've done one for you.

### Poppa Tree

Melancholy tree,  
Alone in Jamaica  
Tearful no more!
