

A Strange Clock

Mum: It's a strange clock isn't it? It doesn't tell the time - it tells you what the *season* is.

Narrator: Look at the clock face. There are four words on it. Point to each word with your finger – 'Spring', 'Summer', 'Autumn' and 'Winter'. The clock hand is pointing to the word 'Summer'.

Mum : [*dozy*] I wish it was Winter - then this heat might go!
