

Jim's Story

Jim stopped being a servant to go and fight in the war as a soldier and he ended up in a field hospital. Write a diary entry of Jim's time in the hospital.

- Who helped him get to the hospital? How was he hurt?
- What food did he eat? What was it like?
- How did he feel when he saw Florence and his sister, Edith?
- How did he feel when the Russians attacked?
- What job will he do when the war is over?

Dear diary,

I got badly hurt today
