

Plants: Writing Tasks

Instruction booklet

Create an instruction leaflet on how to grow a plant.

You might include

- Equipment you will need
- Planting instructions
- Daily care instructions
- Labelled pictures and diagrams

Remember.....

- To make your leaflet clear, bright and informative
- To include the **three** things all plants need

Shape poem

Write a poem in the shape of a flower.

You might include...

- Different adjectives inside each petal
- Words to create the outline of the flower
- Similes

Remember...

- To think about how the flower smells and feels as well as its appearance.

A diary to record the growth of a seed

Plant a seed (or a bean in a jar so you can watch the roots grow) and record any changes you notice.

You might include...

- A daily or weekly entry
- Drawings and diagrams

Remember...

- To label the different parts
- To make sure your seed gets all the **three** things it needs to grow. (Maybe make the instruction booklet first!)

Lost in the Sandstorm

Imagine you are Ira. Write a story about what happened when you got lost in the sandstorm.

You might include...

- What happened next
- How you found your way back to the cave
- Did anyone help you?

Remember...

- To describe how you felt, not just what happened
