

Change The Story

Imagine that you didn't get on the train. Now re-tell the story (up until getting the job at Botley's factory). Follow this structure and change each part so that it's different from our story:

- How did you get to London? (other transport? meet someone? walk?)
- How did you survive in London with no money?
- Where did you stay?
- How did you get a job at Botley's Factory? (can't be through John).
